**CactusHead Puppets
The Pied Piper of Hamelin**

CactusHead Puppets brings the story of The Pied Piper to life in this comedic, updated adaptation of the traditional folktale. Not only does the town find a musical solution to pest control, but the kids of Hamelin also teach the grownups a lesson about generosity. In the end, the townspeople all come together in celebration. Join puppeteers John and Megan Regan as they present this classic tale, told with multiple puppetry styles, and plenty of dancing rats!

Funding for this Kids, Books and the Arts event is provided by the Jack and Dorothy Byrne Foundation, CHILIS, Cogswell Benevolent Trust, and is supported in part by a grant from the NH State Council on the Arts and the National Endowment for the Arts as well as funds administered by the N.H. State Library and provided by the Institute of Museum and Library Services, and of course, Pillsbury Free Library.
