News & Information in Brief

Meetings: Leader's lunch 1/09; Retailer's meetings 1/3 and 1/10; Planning for Feb. vacation week events.

Miscellaneous

Collections: Preparing for new ILS by deleting lost items (ongoing). Responded to a nhaisLOCAL KOHA ILS readiness survey

Technology: Our children's catalog network wire connection fixed itself. MS Office 2010 was installed on the staff computers that are NOT being replaced soon. Nancy is researching choices for a tablet and the new computers included in the 2013 budget.

Displays: Antique Dolls (Lydia Harmon) in glass cabinet (continuing)

Maintenance: Annual Elevator fire test and fire alarms completed (1/11). A series of false burglar alarms in the Children's Room may have been triggered by heat on the coldest days reflecting off hanging decorations (which have been removed).

Nancy is in process of selecting a counter top to replace the one around the sink that was damaged by sink overflow in December. Lynn Perkins has offered to install it. Cost est. between \$110 and \$150 for materials.
