The **Pillsbury Free Library of Warner, NH** became the sponsor and beneficiary in 2015. Pillsbury Free Library will advertise this event in most of the local newspapers. Flyers and posters will also be distributed throughout the area.

For reservations, please return the application at the bottom of this page with your check made payable to the "Pillsbury Free Library" to:

**Pillsbury Free Library**  
P.O. Box 299  
Warner, NH 03278

Or bring it to the library at 18 E. Main St., Warner.

It is not possible to guarantee all requests for table location. However, we will make every effort to do so when possible. Tables will be assigned based on receipt of your reservation. If you require more information please call Nancy Ladd at **456-2289**.

After unloading, please park your vehicle at the Simonds School parking lot above the Town Hall or other location away from the Main Street, so customers will be able to park nearby.

Please remember that it is important to remain completely set up until 1 pm as advertised. If you pack or leave early we may consider delaying or denying your request for a table next year. This end time is 1 hour earlier than last year, based on observed crowd numbers after 1 pm.
