

# How To Reserve a Day Parking Pass/space for a NH State Park in 2020

Even if your library issues you a NH Parks Pass to pay for your entry fee, **visitors must make their reservation before arriving at the park** as parking is limited. Visitors who do not make a reservation may be turned away. When planning a visit, online reservations must be made prior to the arrival and no later than 9 a.m. the day of your visit. The library pass is for a certain day, so be sure you can use it.

If you have a prepaid or free admission such as a NH Parks License Plate or a Library Pass you should still reserve in advance in case all spaces get booked up. Pre-paid and discounted access includes: the State Park License Plate, Seasons Passes, New Hampshire Seniors, New Hampshire National Guard, New Hampshire Disabled Veterans, and Active Military.

If you fall under any of these categories, or have a Library pass for admission, you will still need to pay \$1 fee for the online reservation, and people in addition to 2 adults and 4 children. If you are unable to prove the discount at the gate you will be charged for everyone. **Library passes do NOT cover Wallis Sands, Hampton Beach State Park, Flume Gorge, or Cannon Mountain Tramway, camping fees, or metered parking.** If you have problems and need a refund, email [nhstateparkscamping@dncr.nh.gov](mailto:nhstateparkscamping@dncr.nh.gov).

Standard Fees with no discounts: \$4 per person ages 12 and older, \$2 per person ages 6-11.
