Tech Tips: Carts & Deferred holds

Using Carts.

When logged into our catalog, you can place items you may want to consider into a cart. Then check off the boxes next to the ones you want now, and place a "hold" on the batch so staff will see them. You can also email the cart to yourself or to a friend!

Warning! Carts empty themselves after a while.

- Place hold**
- Print**
- Save to your lists**
- Add to cart**

Suspending holds

For titles you want to defer to a later date, you can place a hold and then "suspend" it until a set date of your choice. When the set date arrives, you will be notified as soon as it is available.

Unsure when you will be ready? Suspend the hold with no set date and return to edit it later.

Suspend all holds until **07/31/2020**
