Library Trustees' Meetings

Library Trustee committees next meetings by Zoom include the Library's Reopening

Task Force Committee meeting on Tuesday July 28, at 6 pm.

Zoom links to Trustee meetings are published 24-48 hours in advance on the [Warner Events Calendar](#). Approved minutes are published on the [Trustee Meetings page](#).

"When will the Library reopen for visitors and browsing?" The Trustees and Staff are preparing for that day by acquiring PPE, supplies and signage, creating or updating policies, and examining the physical characteristics of the building including HVAC. They are paying careful attention to studies, virus statistics and safety protocols.

"The very nature of library operations means that staff come into close personal contact with a variety of individuals every day, and there is often an exchange of physical objects, some of which may have been in the hands of someone who was contagious. Minimizing the risk of transmission to staff and the public is paramount".([NHMA article](#))
