Featuring...Warner Fire Department

The Warner Fire Department recently received a new Engine 1, replacing the previous 25 year old engine. Thanks to having a new Fire Station building, it did not need to be custom-height to fit the ceiling limitations of the old station!

Installation of the fire danger sign, with its accompanying roof and Smokey the Bear sculpture, was completed this summer thanks to **Ben Blakeslee** of Warner. Ben took on the fundraising, design and coordination as his Eagle Scout project. He was assisted by fellow scouts of Troop #77 of Hopkinton. We hear the sculpture is much admired by other Fire Departments. Some funds were provided by **The Warner Firefighters Association, Inc.** Donations to the WFA, Inc. can be sent to: 148 W. Main St., Warner NH 03278.

The Warner Firefighters Association, Inc. is selling reflective address markers so that emergency personnel can easily find your home. The 6" x 12" reflective red and silver durable signs are available for \$15 in either horizontal or vertical orientation. Order form and image are at <https://warner.nh.us/departments/fd/>
