MainStreet Warner, Inc. Has a Home

Through a generous community effort, on September 25th, 2020, **MainStreet Warner, Inc.** purchased the former Harris Masonic Lodge at 17 Church Street (near Simonds School). This will provide the community with a fabulous indoor venue for future concerts and performances, a meeting place for workshops, a commercial kitchen, and partnering with the Warner Area Food Pantry to better meet the needs of our families all year round.

Teen Talk by Linda Lacasse

Rick Riordan has created several successful book series for teens. **He is the most requested teen author in our library!**

He conceived the idea for the Percy Jackson series as bedtime stories about ancient Greek heroes for his son Haley. Haley had been diagnosed with ADHD and dyslexia, inspiring Riordan to make the titular protagonist ADHD and dyslexic.

[Percy Jackson and the Olympians](#) series features the twelve-year-old who discovers he is the modern-day son of the ancient Greek god Poseidon. This five book series inspired a feature film.

Riordan also created a sequel series to Percy Jackson, [The Heroes of Olympus](#). Five demigods have to put aside their grief and follow Percy's instructions to find the mortal side of the Doors of Death.

[The Kane Chronicles](#), a three book series, which features a modern-day Egyptian pantheon and two new sibling protagonists, Sadie and Carter Kane.

The Five book series about Camp Half-Blood, [The Trials of Apollo](#), features Apollo who has been turned into a human and banished from Olympus. He is on his path to restoring five ancient Oracles and reclaiming his godly powers.

The library has many of his books and audio books that you can reserve. [Search for Rick Riordan and reserve a book from the library](#)

Overdrive has many of his works available as downloads. [Download from Overdrive](#)

Your donations keep library services strong!

Thank you to a local couple who recently donated to the library after hearing about our [iWave bipolar ionization installation](#). Their donation will help with the cost of the installation, and/or the ion counter and data logger, which was just received and is being put to use to monitor the iWave's effect on the air ion content. A reading of 1 = 1000, the minimum goal. Success so far!

Contributions to the library may be [Donated online](#), mailed to P. O. Box 299, Warner NH 03278 or put in the bookdrop! [Contact us](#) if you have any questions.
