Election 2020:

Thank you to all who helped count votes on Tuesday at Warner Town Hall, and to all poll workers and voters for being civically involved.

Current cases of Covid-19 in Warner: [at least 42 active, and a total of 60 overall](#), no increase since last week.

COVID contact tracing scam: Kearsarge Regional School Board is warning of a new phone scam targeting parents of school age children. The caller pretends to be notifying you that your child has been exposed to a person who has tested positive for COVID-19 and then offers testing, and asks for credit card information etc. NEVER give out credit card or personal information to a caller unless you started the contact by calling a place you trust.

In Appreciation: Veterans

No matter which branch of the Armed Forces, what part of the world, home or abroad, or in which conflict or war you have served, **we thank all Veterans** for your service. I learned last November that Congress changed the law to include more veterans in eligibility for certain services, and also that any U.S. ARMED FORCES VETERAN that served Honorably on Active Duty starting with December 7, 1941 and going forward, is now eligible to join the [American Legion](#).

Warner is host to the Wilkins-Cloues-Bigelow-Pearson American Legion Post 39. Click "Contact" at the top of their website www.post39warnernh.org/ to join or ask more questions. Or you can often find Adjutant Paul Violette at the N.H. Telephone Museum. (The NH Telephone Museum is open Tuesdays AND Saturdays 10 am-4 pm for the months of November and December.)

The Legion Post's goal is "to serve Veterans, their families, and the Towns in the area covered". In some cases this may simply consist of conversation and an understanding of what you have experienced or are experiencing. Members can also help connect other veterans with any available medical or financial assistance.
