Warner's **MadgeTech** company President, Norm Carlson, is working closely with Governor Chris Sununu to transport the COVID-19 vaccine into the state, and monitor distribution according to the Governor's plan.

MadgeTech's data loggers accompany vaccine shipments to ensure that the contents stay below a certain temperature for vaccine efficacy. Also, each location that stores the vaccine is monitored with a data logger until the vaccine is used. In addition to helping NH combat the virus, MadgeTech's data loggers are shipping world-wide for vaccine monitoring.

Sea Legs and Sailing Ships - Come Aboard!

by Roger Robbins

Looking for real adventure? Take yourself back to the days of fighting frigates and colossal men-o'-war when Britannia ruled the waves and fought to-the-death sea battles against the forces of Emperor Napoleon of France.

[Patrick O'Brian](#), in his high-seas adventure series featuring Captain Jack Aubrey, takes his readers on shipboard and makes them feel like part of the crew. Jack Aubrey is a tough commander, smart and aggressive, a man who -as the story goes - learned his fighting licks from the great Vice-Admiral Horatio Nelson.

[Master and Commander](#), from the O'Brian series, is a classic sea battle film, starring Russell Crowe.

[C.S. Forester](#) has brought the same seafaring era to life through his Horatio Hornblower books. Hornblower's exploits have been

Tech Tips: Inter-Library Loan

Some of you may have missed the news that the NH **Inter-library Loan (ILL) service** restarted in October 2020. Strict protocols are being followed statewide for [quarantining the materials](#) before and after transportation by the State's library van service, which means it usually takes two weeks before you can pick up your requested item. Be aware that most libraries do not lend items they have owned less than 6 months.

To request books, audio CDs, DVD videos, magazines or articles:

1. Check [our catalog](#) to be sure we don't already own it.
2. Request the book by phone 456-2289, website [ILL contact form](#), or email.
3. We will contact you about it, if we have questions or if it is not available or too new.
4. If it is available, you should get a call to pick up within 2 weeks. Call if not.
5. We also welcome suggestions for items to add to our collection.
