Town Records, and Sprinklers!

Installation of "compact shelving" for Town Records at Town Hall is complete, and employees from several Departments are diligently moving record books and files into them, from the multiple prior storage areas. The shelving is in the space behind the current Town Clerk's office area (previously the Town administrator and Selectboard's office),

Sprinklers are in the process of being installed at Town Hall. In the lower level and some offices, the exposed pipes, which arrive in orange color, will be painted to blend in. In the Main Hall and addition, the pipes will be installed out of sight in the attic,

The Library and Town Offices will be **closed Monday, May 31 for Memorial Day Holiday**. See below for activities.
