Library News

Everything is back in its place after the floor refinishing project, and ready for visitors! We had 20-35 visitors per day so far, and the word is just getting out!

Note: we will be re-adjusting visitor hours periodically - thank you for your patience!

In case you have never visited, here are some photos of the upper level (adult and young adult books, magazines, audio book CDs, and DVDs.) We also offer photocopies, printing from email or mobile devices, and scanning.

Part of the non-fiction area as seen from the staff desk.

Historical collection (in cabinets) and reading table.

Some of the public computers (and the Town Microfilm reader at far end)

Happy to See You Back Inside!

Our first week of being reopened to walk-in visitors was quite a change of pace for staff after almost 16 months of just glimpses at the door and conversations by

phone and email. It was wonderful to see all your smiling faces! Sign our guest book!

We are still asking everyone over 2 yrs old to wear a mask, and sanitize hands. That way everyone of any age can be protected and feel safe, regardless of vaccination status. Thanks for your cooperation!
