Housing Help

NH Law Librarian Mary Searles has created a web page, about **Temporary Protection from Eviction Effective Aug. 3, 2021 through October 3, 2021** which has information about the extension—for **some tenants**—of the eviction moratorium. <https://courts-state-nh-us.libguides.com/c.php?g=889667&p=7993705&preview=08c96d8f05745593f97ca5626f079ee3>

The **very important change to note** is that this version of the moratorium **ONLY** covers tenants who are **living in counties who are experiencing substantial to high transmission** of COVID-19. So far Merrimack county is not one of them, but **six other NH counties are**.

Check the **map** at <https://covid.cdc.gov/covid-data-tracker/#county-view> because it is changing rapidly. (last week only one county was orange.)

COVID News to Use

The CDC recently changed its mask guidelines for vaccinated people, recommending mask use indoors, especially in areas with higher infection numbers.

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

Cases of the more contagious and serious **Delta variant in NH are increasing but only hospitalized cases and deaths are being reported. SIX NH Counties are now considered a "substantial risk" area.** View risk ratings and vaccination levels by county at <https://covid.cdc.gov/covid-data-tracker/#county-view> Please consider wearing masks indoors in public to protect the 21% of our population who are under 12 years old who cannot be vaccinated yet, and others.

Symptoms in vaccinated people can resemble colds: headache, runny nose and sneezing are the new top reported symptoms. covid.joinzoe.com/post/new-top-5-covid-symptoms.

To get a COVID -19 vaccine: vaccines.nh.gov or call 211.

Vaccinations for Covid-19 are FREE, and available for ages 12 and up.
