New Childcare in Warner!

Boys & Girls Clubs of Central New Hampshire will soon be offering full time **infant and toddler care** at the Warner Community Center (49 West Main Street).

"Our hope is to open two classrooms in the fall, but **this timeline will rely heavily on staff recruitment**. Tuition will be \$300 per week for infants (typically ages 6 wks to about 12 months) and \$275 per week for toddlers (typically about 12 to 36 months). We accept State of New Hampshire Child Care Assistance.

Pre-enrollment begins **Friday, July 15. We will prioritize Warner residents until August 8**. Applications will be accepted and processed on a first come, first served basis and a wait list will be created if necessary. For more information on our philosophy and the registration process, please visit nhyouth.org/early-learning-centers/.

"We currently are looking for highly skilled ECE educators who may be interested in classroom teacher roles. Our organization offers competitive pay and a full benefits package, **including child care for full time employees**. Please help spread the word and encourage applicants to send their resume and qualifications to:

- Amanda Perry, ECE Manager amandaperry@nhyouth.org
- Lily Mlinar, Human Resources mlinar@nhyouth.org
- **Danielle Fifield**, Warner Early Learning Center Director dfifield@nhyouth.org

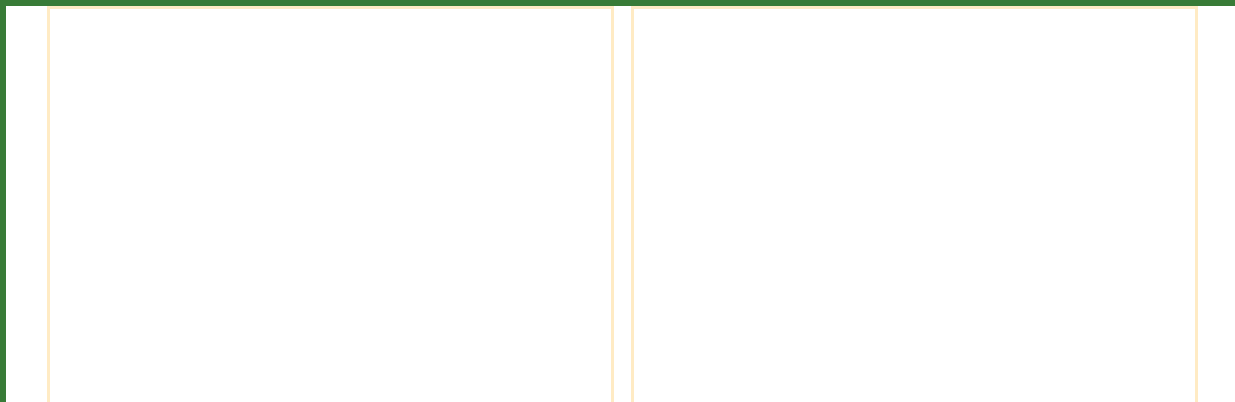

Any questions contact Danielle dfifield@nhyouth.org or (603) 224-1061."

Warner People

The Kearsarge Indian Museum would like to thank the members of **Warner Fire Rescue** that responded to a medical event at the Powwow on Saturday, July 9th. We were really impressed by their response and efficiency in handling the matter.

Kudos to **Warner's Economic Development Committee** and Selectboard who have been working with the Boys & Girls Clubs of Central New Hampshire to open a **child care center** at the Warner Community Center. The center will replace the recently-closed Early Head Start program. See details above.

Sold! Recyclable commodities movement at the Transfer Station
by Varrick Proper:

"This past week Warner shipped out **43336 lbs of cardboard**. Sold at \$140.00 per ton the town should realize about \$2500.00 after deductions for shipping. This coming week we are scheduled to ship a similar amount of mixed paper sold at \$77.50 per ton. Had we just thrown this material away it would have cost us close to \$4000.00. The lightening of our tax burden can commence with a weekly recycling habit."

Even if you contract for trash collection, you can separate out these categories and bring them to the Transfer and Recycling Station from time to time to increase Town revenues - and meet your neighbors!

Recycling paper also conserves natural resources, saves energy, reduces greenhouse gas emissions, and keeps landfill space free for other types of trash that can't be recycled.

[Article: Is it really better to recycle-paper?](#)

Re-homing household items or equipment is not always effective in the "swap spot" at the Transfer Station. Offer them on Facebook's Buy Nothing Kearsarge South group. Do you have tips for re-homing?

Find some ideas for reusing many materials at www.treehugger.com

"Plastic free July" Ideas at <https://www.plasticfreejuly.org/>
(This can also help reduce tipping fees!)

At the grocery store, you can select fruits and veggies that are **not** pre-wrapped and in styrofoam trays. Save the thin plastic produce bags and bring them back in your reuseable tote bags to re-use!
