Warner Clubs etc

The **Warner Men's Club** has folded its tent. The small balance left in the Club's accounts has been donated to the Library as a small token of thanks for the meeting space provided

for the Club's Board meetings.

The **Warner Fall Foliage Festival Board of Directors** has some information to share:

1. There is still time for non-profit groups to apply for funding from the Festival's proceeds. The deadline is October 31, 2022. Information about the funding and the application form can be found at: [Funding Requests - 75th Fall Foliage Festival](https://wfff.org) (wfff.org)
2. The Annual Meeting for the Festival Membership will be held on Wednesday, January 11th at 7 PM in Town Hall. This is where the Membership will hear of the funding recommendations of the Funding Sub-committee and vote on whether or not to accept the recommendations. This is also a time to provide feedback, offer suggestions, ask questions, etc... Festival Membership includes anyone who lives in Warner or anyone who was a part of the Festival.
3. The Board has several open spots for key roles. The roles of Board President, Volunteer Coordinator and Secretary are open. There are other Board roles to fulfil other tasks that come about in the course of planning for the Festival. Anyone who is interested in these roles, or wants to know more information, can contact the current Volunteer Coordinator, Beth Lukaitis, at volunteerwfff@aol.com.
4. The Annual Membership meeting is the time when new Board members are appointed. There is a very real risk that if the current openings are not filled by the Annual meeting, this will be the final meeting of the WFFF.

Beatlemania Bubbles (Again!) by Roger Robbins

For my parents, the Ed Sullivan Show, on Sunday nights, was a bit of peace and quiet, a chance to listen to what they called "good singing" - Andy Williams or Johnny Mathis or Perry Como. [Then came Sunday, February 9, 1964, when Ed Sullivan introduced "The Beatles".](#)

[The Beatles on Ed Sullivan was a seismic event. A cultural tsunami.](#) . John, Paul, George, and Ringo were popular beyond belief. There were Beatle fanzines; Beatle wigs; Beatle cards (Topps); Beatle lunch boxes and drinking cups; Beatles albums and .45s; Beatle movies and a Beatles cartoon show.

Beatlemania slows but never stops. Now, there is [a beautiful Dvd set called "Get Back"](#), produced by Peter ("Lord of the Rings") Jackson, a three-part documentary with live, never-before-seen footage of the Beatles creating music as well as the final Beatles "rooftop" concert. Watching this show was a welcome visit with old friends from good times.
