Welcome to "The Land of Dreams" Enter Here... by Roger Robbins

The library of my youth was a simple brick building, set back from the street, small and self-effacing. Yet, to me, it was a magic door to The Land of Dreams.

Down those book-lined aisles, I made fierce friends and journeyed to exotic locales. It was here I wore buckskin britches and carried a musket with [Major Robert Rogers in the French and Indian War](#). It was here I stood on the deck of the [H.M.S. Bounty](#) and watched Fletcher Christian take the ship from Captain Bligh. It was here [Ernest Hemingway took me to Paris](#). It was here F. Scott Fitzgerald introduced me to [Jay Gatsby](#).

When your days are too frantic and the here-and-now is too much, slip through the library portal into The Land of Dreams and lose yourself in a great adventure in a world of your own making.
