It has been a WILD and WEIRD couple of weeks, with extreme heat, floods, road washouts, Board resignations, etc.

Everyone is under stress, so let's all remember to put a little extra dose of kindness and tolerance in our daily interactions, and to take a little personal time to do something fun or relaxing if possible! (see concerts and outdoor stuff below)

Town & School

Select Board News - The Town of Warner has petitioned the Merrimack Superior Court to appoint Faith Minton to the Select Board to fill the vacated seat of Christine Frost until the 2024 annual Town Meeting. Selectwoman Jody Sloane also resigned last week, so the petition if approved would provide a quorum to appoint a third selectboard member.

The petition can be downloaded here https://warner.nh.us/downloads/Petition_07142023113610.pdf

In response to the petition, Merrimack County Superior Court created case #217-2023-cv-00370. The Court ordered a hearing to be scheduled for today Thursday July 20, 2023, or as soon thereafter as the court calendar allows. The full order can be [downloaded here](#).

The Court has issued a summons scheduling a **Hearing on the Merits** for July 20, 2023 at 2:00 PM in Concord. The full summons can be [downloaded here](#).

7/20/23 court report (from FB comments): about 40 people attended, including at least 5 former selectmen. All 4 pews were full, tightly packed. No verdict was read at that time.

At a meeting on July 18 the status of the two resignations of the previous week was a topic of dissent and a resolution will likely need to be determined by the court. Links to the Zoom recordings of the July 11 and July 18 meetings can be requested from Judy at the Warner selectboard office: selectboard@warnerNH.gov

Floods! Photos above from Warner PD's FB page <https://www.facebook.com/profile.php?id=100081678798658>
Heavy rains on Sunday 7/16/23 caused numerous washouts and road closures. Closures due to flooding included Red Chimney Rd, E Joppa Rd, and Parade Ground Cemetery Rd.
A huge thank you to the men & women of the Warner Public Works Department, Fire Dept. and Police Department who came out on a Sunday to deal with it all. While all our roads are back open, use caution as many of the ditches and shoulders are still soft. Further repairs will continue in the coming days and weeks.

The Kearsarge School District is working on rewriting Curricula for all grades this summer, says School Board Member Emma Bates. This is partly due to a new style of grading required in NH
