## Rethink, Refuse, Reduce, Reuse, Recycle, Repair

Are you trying **Plastic Free July**? [www.plasticfreejuly.org/get-involved/what-you-can-do/](http://www.plasticfreejuly.org/get-involved/what-you-can-do/)  
A relevant film **free online:** [We're All Plastic People Now: Emmy Winning Film 2024](#)  
**Ideas:** Buy your (unwrapped) veggies at the area Farmer's Markets; get bulk soaps, detergents, shampoo, and plastic-free goods at Witching Hour Provisions in Contoocook (bring your own jar or use theirs). Pick Blueberries locally and freeze in reusable boxes.  
**Eating out?** Tell the server you don't need a straw and consider bringing your own take-home container. **Takeout?** Decline the plastic utensils and condiment packets. Bring your own, if travelling. **Use a refillable water bottle** or coffee container.

**Reduce your taxes: Recycle!** Warner Fees for solid waste disposal in 2023 (not including demolition waste and special disposal items) were \$76,091 (\$85/ton)!

**Paper, corrugated cardboard and metals create income**, so please don't put these, or glass or recyclable plastics in the compactor, which costs Warner \$\$ per ton and fills the landfill with unnecessary waste ash.

**Yes, there is also a Swap Area** at the Transfer Station, but please be considerate of what you drop there and how: employees should not have to sort, pick the trash out, or clear the area of small items, and weather may spoil some items.

**Tips for mindful disposal and waste reduction:**

Household goods can be dropped off at the Warner Historical Society for the Barn Sale, or taken to Goodwill. New London has a consignment store for furniture - or donate to the VNA resale store.

**Offer or get items free** on the [Buy Nothing Kearsarge \(South\) Facebook group](#), or sell them on the [Kearsarge Area Online Yard Sale](#) group.

Sell at the **Davisville Flea Market** on Sundays May - Sept, or weekends all year at the **Kearsarge Indoor Flea Market** on **Kearsarge Mtn Rd.**

**Stretchy plastic recycling:**

The **United Church of Warner** has taken on the role of community partner in the ongoing TREX plastic collection project at Simonds School. **Stretchy plastics** may be dropped off **in the TREX box on the porch** of the Parish House next to the Church.

Acceptable items **stretch when you pull**. If it tears like paper, or is shiny or makes a crinkly/crunchy sound, do NOT recycle in the bins. <https://nextrex.com/view/educate>
